APPENDIX A – DISCIPLINE (NTSSA RULE 3.11)

All Member Associations are directed to distribute this rule to every youth and adult player, every coach, team manager, league administrator and referee. It is intended that the player and/or coach will make known the contents of this rule to his or her parents and spectators.

3.11.1 Authority

1. All members and participants in youth and adult soccer within the jurisdiction of the North Texas State Soccer Association have requested to participate in our programs. Therefore, these participants have agreed to abide by the Articles of Incorporation, Bylaws, Rules and Regulations of **NTSSA**, their local playing association, as well as those of the United States Soccer Federation and its National Associations of which North Texas State Soccer Association is a member. The **NTSSA** Articles of Incorporation and Bylaws provide that it has jurisdiction over all Member Playing Associations, players, coaches, team managers, administrators, team representatives and referees who choose to affiliate. Any member or participant in youth and adult soccer within the jurisdiction of **NTSSA** found in violation of the Articles of Incorporation, Bylaws, Rules and Regulations of **NTSSA**, their local member association, as well as those of the United States Soccer Federation and its National Associations of which North Texas State Soccer Association is a member, may be subject to publication in the monthly newsletter or **NTSSA** President's Newsletter of this association of their name, the type of violation, and the disciplinary action taken. Publication will be limited to individuals receiving disciplinary actions of three months or greater.
2. All Member Associations and /or Playing Leagues are directed to form their own Appeals and Disciplinary Committees and to hold hearings--**WITH THE PARTIES HAVING THE RIGHT TO BE PRESENT**--on every player/coach/assistant coach/spectators and/or parents as required for serious misconduct. All Member Associations are required to furnish the State Office with a maintained up-to-date list of their A&D Chairman and Committee members and to include their addresses and phone numbers.
3. Should a recreational Playing League cover multiple Associations, the members of the Appeals and Discipline Committee for this league should be comprised of representatives from each available association represented. The **NTSSA** A&D Committee shall serve as the first level of appeal involving complaints from participants of differing Associations. If a Playing League is hosted by a primary Association, the Appeals and Discipline Committee may be comprised of members of that Association.

As guidance, if the issue at hand was as a result of play, the Playing League will handle the disciplinary matter. All other matters shall be directed to coach/individual/teams home Association.

3.11.2 Misconduct of Youth Players/Coaches/Assistant Coaches

1. All Member Associations, Playing Leagues and Tournament Officials are directed to operate and keep records on a "CUMULATIVE CARD SYSTEM" for all players/coaches/assistant coaches. Appeals of cards are not allowed except when the referee admits he made an error in the issuance of the card. Cards issued in league play are cumulative during the entire soccer year. When a player transfers to another team his or her accumulated league play cards count against

Heart of Texas Soccer Association

the cumulative card totals for both his or her old and new teams. Player suspensions mentioned in this section, including automatic suspensions “from all **NTSSA**-sanctioned activities,” include all games (including indoor), organized scrimmages, friendly games, and the like, but do not include team practices.

2. A “**CUMULATIVE CARD SYSTEM**” in league play will be operated as follows:
 - a. **Yellow Cards** One game automatic suspension for the game following an individual’s third league play yellow card. Two game automatic suspension for the game following such individual’s fifth league play yellow card. One game automatic suspension for the game following such individual’s sixth league play yellow card.

NOTE: *A player/coach/assistant coach receiving a second yellow card in a single game is suspended for the balance of that game, and those two yellow cards are then added to such individual’s previous total of league play yellow cards to determine whether additional game suspensions, if any, are required. Red cards issued solely as a result of a second yellow in a single game will not be added to such individual’s league play red card total.*

- b. **Red Cards** One game automatic suspension for the game following an individual’s first league play red card. Automatic suspension, pending a hearing, from all **NTSSA**-sanctioned activities following such individual’s second league play red card. Red cards issued *solely* as a result of a second yellow card in a single game will not be added to such individual’s league play red card total.

NOTE: *In cases where, during a single game, an individual receives a yellow card followed by a “straight red card” (as opposed to a red card issued solely as a result of a second yellow) both cards will be added to such individual’s respective total of league play red and yellow cards and punished accordingly. If a Member Association’s and/or Playing League’s A & D Committee determines that a red card was issued for an infraction that was not an “expulsion” offense in accordance with the **FIFA** Laws of the Game, such A & D Committee may reduce the red card to a yellow card and assess sanctions accordingly. The Member Association or Playing League may not, however, do away with the card altogether. A full report of this action must be sent to **NTSSA**.*

- c. **Seventh Card** Any individual obtaining a seventh card in league play (meaning any combination of yellow and red cards totaling seven) shall be immediately suspended pending a hearing from all **NTSSA** sanctioned activities.

- d. **Exception** When misconduct cards are issued during a league game that is being used to determine the standings and final outcome of a regional or national league under direct control of US Youth Soccer; the regional or national body that has been charged with the operation of said league will have jurisdiction over misconduct pertaining to games of that league. All penalties received during these games will be served in the regional or national league having jurisdiction and not in the player or team’s home association league.

3. A “**CUMULATIVE CARD SYSTEM**” for each tournament will be operated as follows:
 - a. **Yellow Cards** One game automatic suspension for the game following an individual’s third yellow card. Two game automatic suspension for the game following such individual’s fifth yellow card of the tournament. One game automatic suspension for the game following such individual’s sixth yellow card of the tournament.

Heart of Texas Soccer Association

NOTE: A player/coach/assistant coach receiving a second yellow card in a single game is suspended for the balance of that game, and those two yellow cards are then added to such individual's previous total of yellow cards for that tournament to determine whether additional game suspensions, if any, are required. Red cards issued solely as a result of a second yellow in a single game will not be added to such individual's tournament play red card total.

b. **Red Cards** One game automatic suspension for the game following an individual's first red card of the tournament. Automatic suspension, pending a hearing, from all NTSSA-sanctioned activities following such individual's second red card of the tournament. Red cards issued solely as a result of a second yellow card in a single game will not be added to such individual's tournament play red card total.

NOTE: In cases where, during a single game, an individual receives a yellow card followed by a "straight red card" (as opposed to a red card issued solely as a result of a second yellow) both cards will be added to such individual's respective total of tournament play red and yellow cards and punished accordingly. If Tournament Officials determine a red card was issued for an infraction that was not an "expulsion" offense in accordance with the **FIFA Laws of the Game**, such officials may reduce the red card to a yellow card and assess sanctions accordingly. The Tournament Officials may not, however, do away with the card altogether. A full report of this action must be sent to **NTSSA**.

c. **Seventh Card** Any individual obtaining a seventh card in tournament play shall be immediately suspended pending a hearing with NTSSA A&D Committee (meaning any combination of yellow and red cards totaling seven)

d. **Exceptions**

For misconduct cards issued during State Cup, Regionals, or National competitions (US Youth Soccer), the misconduct will be handled within that competition.

The "CUMULATIVE CARD SYSTEM" prescribed by these rules defines the minimum disciplinary punishment to be taken by all Member Associations, Playing Leagues and Tournament Officials. Nothing herein prevents Member Associations, Playing Leagues or Tournament Officials from enacting more severe sanctions. Each case should be judged on its own set of circumstances and degree of misconduct or violence, the latter of which must be dealt with swiftly and severely.

Any misconduct by a Coach justifying a report by a referee or any other person shall be directed to the State Appeals and Disciplinary Committee as well as to the Member Association and/or Playing League with which the coach is affiliated. The Member Association and/or Playing League shall promptly (within seven (7) days after receipt of the report) rule on the report and send its decision to the State A&D Committee.

The State A&D Committee will determine the extent of the punishment, if any, in addition to that taken by the Member Association. The State A&D Committee will make its decision based entirely upon the written reports before it, including that of the affected coach, should he or she submit a report. Hearings will not be held by the Committee unless it chooses to call one of its own volition.

A coach whose conduct is less than exemplary to his or her players, parents and spectators will be firmly dealt with by the Member Association or Playing League involved and the State A & D Committee.

Game suspensions for Yellow and Red cards (as set forth above) are to be served by the player/coach/assistant coach at the next scheduled game (including league, playoff, championship, cup, and local or state tournament games) that such individual's team is involved in. A suspension imposed

Heart of Texas Soccer Association

by these rules shall be recognized by all affiliated organizations after proper notification. The lack of a hearing or referee report on the offense shall not affect such individual's suspension.

All game suspensions must be reported immediately to the State A&D Committee. The Member Association, Playing League or Tournament Officials making the report will forward a copy of any referee's Misconduct Report(s) which underlie the suspension. The State A&D Committee will determine the extent of punishment, if any, in addition to that prescribed by the Member Association, Playing League or Tournament Officials, taking into consideration the severity of the misconduct.

The State A&D Committee will issue its decision based entirely upon the officials' reports and any other written reports before it, including that of the affected individual, should he or she submit a report. A hearing will not be held by the State A&D Committee unless it, of its own volition, chooses to call one because of the nature of the case.

Extreme Violent Conduct

a. Member Associations, Playing Leagues and/or Tournament Officials are directed to extend severe punishment to those players, coaches, and assistant coaches guilty of extreme violent conduct while participating in a match and for violence toward any person or property after being ejected, while on the touchline, or approaching or leaving the game site.

3.11.3 Misconduct of Adult Players/Coaches/Assistant Coaches

1. All Member Associations are directed to operate and keep records on a twelve (12) point "CUMULATIVE TWELVE (12) POINT SYSTEM" for all player/coaches/assistant coaches. Offenses resulting in the cautioning of a player/coach/assistant coach by the referee (yellow card) are allowed points according to their seriousness ranging from one (1) to four (4) points. Appeals of cautions (yellow cards) are not allowed except when the referee admits he made an error in the issuance of the caution. Points are cumulative during each soccer season. When a given player/coach/assistant coach accumulates twelve (12) points sanctions are applied as described in Rule 3.11.3 (3). A player transferring to another team will carry over his or her accumulated points to his or her new team. Reports of these disciplinary actions are to be sent to the State Appeals and Disciplinary Committee at North Texas State Soccer Association Office.

2. The points of the "CUMULATIVE TWELVE (12) POINT SYSTEM" will be allocated as follows:

a. **12 points** Sent off from game due to Serious Foul Play, Violent Conduct, Spitting at Opponent/Person, Denies Goal Scoring Opportunity or Offensive, Insulting or Abusive Language

For ejection from a game due to misconduct after receiving a caution, except for twelve (12) point offenses as stated above, points will be based on two (2) cautions.

NOTE: If the Member Association A&D Committee determines that a red card was issued for an infraction that was not an "expulsion" offense in accordance with the **FIFA Laws of the Game**, the Member Association may reduce the red card to a yellow card and assess points for the yellow card. The

Heart of Texas Soccer Association

Member Association may not, however, do away with the card altogether. A full report of this action must be sent to NTSSA.

The **CAUTION** points are to be allocated as follows:

a. **FOUR POINTS**

- 1) Deliberate tripping, tripping and other “tactical”, deliberate, physical fouls.
- 2) Foul tackle from behind.
- 3) Interference by other players when the referee is speaking to a player after an offense has been committed.
- 4) Continued dissent of a decision in an attempt to unsettle the referee.

b. **THREE POINTS**

- 1) Deliberate, tactical obstruction.
- 2) Persistent infringement of the Laws of the Game.
- 3) Shirt pulling and other similar tactics.
- 4) Deliberate encroachment at free-kicks.

c. **TWO POINTS**

- 1) Deliberate handball designed to break up attack.
- 2) Time wasting, including that by the goalkeeper.
- 3) Moving arms up and down to obstruct an opponent.

- 5) Fails to respect required distance or unsporting behavior at a penalty kick.

d. **ONE POINT**

- 1) Entering or leaving the field without the referee’s permission.
- 2) Player leaning on a teammate to gain an extra height.
- 3) Pulling oneself up by the goal post or crossbar to gain an advantage.

3. **ACCUMULATED CAUTION POINTS SANCTIONS**

- a. Twelve (12) Accumulated Caution Points - One Game Suspension
- b. Six (6) More Points - Two Game Suspension
- c. Six (6) More Points - Suspension pending A&D - Committee Inquiry

4. **SEND-OFF**

- a. One Send-off - One Game Suspension
- b. Second Send-off - Two Game Suspension
- c. Third Send-off - Suspension pending A&D - Committee Inquiry

5. **FINES**

- a. Teams Exceeding The Accumulated Point Limit - \$50
- b. Teams Exceeding The Accumulated Point Limit Second Time in Soccer Year - \$100

NOTE: *All fines must be paid within thirty (30) days of infraction to the North Texas State Soccer Association.*

NOTE: *This is the **minimum** disciplinary punishment taken by all Member Associations on ejections. Nothing herein prevents a Member Association from enacting more severe sanctions. Each case should be*

Heart of Texas Soccer Association

judged on its own set of circumstances and degree of misconduct or violence, the latter of which must be dealt with swiftly and severely.

6. Any misconduct by a Coach justifying a report by a referee or any other person shall be directed to the State Appeals and Disciplinary Committee as well as the Member Association with which the coach is affiliated. The Member Association shall promptly (within five (5) days after receipt of the report) rule on the report and send its decision to the State A&D Committee. The Committee will determine the extent of the punishment, if any, in addition to that taken by the Member Association.

7. The State A&D Committee will make its decision based entirely upon the written reports before it, including that of the affected coach, should he or she submit a report. Hearings will not be held by the Committee unless it, of its own volition, chooses to call one.

8. A coach whose conduct is not considered to be exemplary to his or her players, parents and spectators will be firmly dealt with by the A&D Committee of both the Member Association involved and the **NTSSA**.

9. Game suspensions for caution points and/or expulsions:

The suspension is to be served by the player/coach/assistant coach/manager/or team representative at the next scheduled game (regular league games, makeup league game, playoff, championship, cup games, local or state tournament game) that the player's team is involved in. A suspension imposed by **NTSSA** shall be recognized by all affiliated organizations after proper notification. The lack of a hearing or referee report on the suspension/expulsion of the offender shall not nullify his suspension (to sit out) the next game.

10. All game suspensions must be reported to the State. When an ejection or game suspension under the caution point system is issued to a player, the Member Association or league to which the player is affiliated will forward a copy of the referee's Misconduct Report of the ejection or a copy of the league's Disciplinary Committee report on suspension due to the excessive Caution Points directly to the **NTSSA State Appeals and Disciplinary Committee**, together with the action taken by the Member Association. The State A&D Committee will determine the extent of punishment, if any, in addition to that prescribed by the Member Association, taking into consideration the severity of the misconduct. Each additional caution and/or ejection of said player during the remainder of the soccer year will also be forwarded to the Committee for review and possible further action.

11. The **NTSSA Appeals and Disciplinary Committee** will issue its decision based entirely upon the officials' reports and any other written reports before it, including that of the affected player, should he or she submit a report. A hearing will not be held by the Committee unless it, of its own volition, chooses to call one because of the nature of the case.

12. Extreme Violent Conduct:

The State Member Association's Appeals and Disciplinary Committees are directed to extend severe punishment to those players, coaches, and assistant coaches guilty of extreme violent conduct while participating in a match and for violence toward any

Heart of Texas Soccer Association

person or property after being ejected, while on the touchline, or approaching or leaving the game site.

3.11.4 Misconduct of Spectators

1. Each team (youth and adult) in **NTSSA** is responsible for the conduct of its spectators. The referee shall have the authority to caution and/or send off the coach or acting coach from the field for the misconduct of the spectators associated with the team. Therefore, the coach/assistant coach/team manager is expected to control his spectators, especially on non-enclosed fields. If he is unable to do so, Member Associations, Playing Leagues and/or Tournament Officials are directed to take appropriate actions toward the identifiable, unruly spectator, or if unidentifiable, towards the team itself. Member Associations, Playing Leagues and Tournament Officials shall report spectator misconduct to the State A&D Committee for review and further action if warranted.
2. Suggested action for misconduct of spectators is:
 - a. Suspend the spectator from attending future matches.
 - b. Report spectator to the local Park & Recreation Department.
 - c. Require team to forfeit any games at which spectator is present on the touchline (cannot keep them off public street or out of parking lot.)
 - d. Require offending team to pay for presence of police at the game.
 - e. Revoke and/or refuse registration to the offending team.
 - f. Cause the spectator to be placed under a municipal "peace bond".

3.11.5 Misconduct and Punishment of Teams

1. Youth Association Teams

- a. When, during the current soccer year, the players/coaches/assistant coaches of a given team have accumulated a total of seven (7) send-offs in league play (*including* red cards issued as a result of an individual receiving two yellow cards in a single game) or any combination of cards totaling twenty-five (25) the Member Association and/or Playing League shall notify the team and the State A & D Committee. The team will be fined \$100 payable to **NTSSA** within thirty (30) days of receiving notice of the seventh send-off or any combination of cards totaling twenty-five (25). The coach and the players of said team may also be required notified to appear before the committee to explain the team's continued misconduct. This cash bond will be required to be posted before the team may engage in any further games within the boundaries of **NTSSA**. Should any other member of said team be found guilty of a referee assault during that one (1) year period, the team shall forfeit the bond, and another similar bond will be required before the team can continue in competition. If no member of the team commits a referee assault during that one (1) year period, the bond will be returned to the person or persons designated to receive such payment. No member of such team which has failed to post such bond will be permitted to register with another team until that member has posted a \$50 bond with **NTSSA**; nor shall any new member be allowed to register on that team until such member has posted a \$50 bond, such bonds to be held under the same terms and conditions as the team bonds.

3.11.8 Misconduct of Referees When any referee is alleged to have committed misconduct toward any participant, spectator of a match or toward another referee, the State A&D Committee will hear such allegations and assess punishment concerning the Referee in regard to his activities. **3.11.9 Appellate Procedures**
