

## Academy Policy

North Texas Bylaws apply in addition to the following:

All academy players must be registered with Heart of Texas Soccer Association and must be registered and participating on a recreational team. Priority to the recreational team comes first in regards to practice and games.

Academy players may not practice more than once a week unless they play 2 games a week or preparing to play in a tournament.

Completed Academy Forms(<http://www.ntxsoccer.org/pages/catforms.aspx?cat=Youth>) are to be completed prior to any participation with the team and submitted to Heart of Texas Soccer Association prior to participating in any practice or game. H.O.T. is to be given one week to give these back to the parent of the player.

Forms are to be submitted each Fall and again in the Spring.

U7/8 players cannot play in any games. They may only practice according to the NTX guidelines

Any player or coach violating this policy will be subject to a hearing and possible sanctions.

Hot does not provide rosters for Academy teams.

As of 1/1/2010 there will be a \$10 charge for each form submitted.
